SECOND AMENDMENT

Assistant Commissioner of Patents  
Washington, D.C. 20231

Sir:

If any charges or fees must be paid in connection with the following communication, they may be paid out of our Deposit Account No. 25-0115.

The Office Action dated August 12, 2002 has been received and carefully reviewed. Please amend the above-identified patent application as indicated below.

In the claims:

- B |
1. (Twice Amended) A driving device for a windshield wiper assembly of a motor vehicle comprising:
    - a housing;
    - an electric motor located in the housing connected with a rotating armature shaft having a first end portion and a second end portion;
    - a gear unit located in the housing with a worm located on an intermediate portion of the armature shaft;
    - a support bearing supporting one end of the armature shaft at the housing; and
